

ITINERARIES & DESTINATIONS – WHERE BEST TO GO?

Depending on weather conditions please let us advise you where and when to go and help explain why. We want to offer you the best itinerary options and experience possible!

Koh Tao & Nangyuan Island offers by far the best snorkeling & diving spots.

Ang Thong National Marine Park offers the best variety with beautiful landscapes of 42 islands and has a fabulous seafood restaurant.

FULL DAY TRIPS:

Koh Tao and **Ang Thong National Marine Park** are **full day only** trips (6-9 hours required)

Both destinations CANNOT be visited in one day due to the journey times

HALF DAY TRIPS:

As an alternative, we often suggest a more economical half day trips for quality snorkeling at **Koh Ma**, north west **Koh Phangan** or in the south of Samui to **Koh Tan & Five Islands** (3-5 hours required)

NOTE:

Sailing Boat or **Catamaran** cruising at 4-8 knots takes 2x – 3x longer so better to stay closer to Koh Samui unless considering overnight tours.
